

Note:
 Union Maintenance will become a common task for all staff. Union maintenance includes the function of visiting locals and attending their meetings, strengthening their union administration, assisting them in negotiation, grievance handling, and in referring them to the appropriate service centers of FFW (e.g. Legal, PSI, PESO). Most staff will be multi-tasked.
 R = Regular Staff; P = Project Staff; PT = Part Time; V = Volunteer; C = Consultant
